WHA hires new Director of Human Resources

August 15, 2016 – The Worcester Housing Authority is delighted that Erin Jansky has been hired to join the WHA as the Director of Human Resources, starting in early September.

Erin is a graduate of the University of Rhode Island, received her Paralegal Certificate from Northeastern University, and earned her Master of Business Administration from the University of Massachusetts, Isenberg School of Management.

Erin's experience has been in a variety of business types and sizes with varied project and team management responsibilities. In her former positions, Erin has served as marketing guru, editor, project manager, committee leader, communications director, and event planner. In her most recent position at UMass Medical School, Erin was the Senior Compliance Specialist, and in a recent project, coordinated a new outreach campaign with education training sessions, a newsletter, and a redesigned, more user-friendly website.

In addition to her impressive education and employment background, Erin actively serves a number of nonprofits in the area. She is the chairwoman of the annual gala fundraiser for the Worcester Animal Rescue League and was recently elected to the Board of Directors of the Young Professional Women's Association of Worcester.

We look forward to Erin joining the WHA, and strongly believe that she will be a great asset to the team.
